Dear RP3 Rowing Crew,

We're thrilled to share some exciting updates with you all! With the release of the first World Cup entries, it's evident that the international racing season is right around the corner! We're eagerly anticipating the performances of the world's best athletes, especially after a winter training with our dynamic rowing machine. RP3 Rowing continues to expand with new partnerships across the globe, including our recent collaboration with Rowing Australia supplied by Bont Rowing. As records continue to fall, we are looking forward for the results from the upcoming races in Varese.

Train on Land, Win on Water!

EXCITING NEWS: INTRODUCING NEW LEASE OPTIONS!

We're thrilled to announce a new addition to our services at RP3 Rowing that will provide even greater flexibility and accessibility to our cutting-edge equipment. Introducing our new lease structure, offering two distinct options:

1. 5-Year Operational Lease:

For those seeking a hassle-free solution, our 5-year operational lease option is the perfect fit. Enjoy the benefits of utilizing our dynamic rowing machines without the burden of ownership. With this lease, you'll have the freedom to focus on your training and performance and you can add a service agreement to ensure your equipment is always in an optimal condition

2. Financial Lease (3 or 5 years):

Looking to purchase an RP3 with the added advantage of spreading payments over time? Then our financial lease option is the ideal choice. Choose between a 3-year or 5-year lease term to suit your financial preferences. With fixed monthly payments and the option to purchase the equipment at the end of the lease term, you'll have the flexibility to manage your budget effectively while enjoying the benefits of owning premium rowing equipment.

With our new lease options, we're making it easier than ever for individuals, clubs, and organizations to train on land, win on water! Contact us to learn more about our new lease options or check our [price list](#) to get started with RP3 Dynamic

Collaboration with T.S.R. Vidar: Your Premier RP3 Rowing Training Destination!

After a successful study working with T.S.R. Vidar we are proud to announce we will now be working towards making them the first official RP3 training center! Benefit from personalized instruction from Vidar's experienced staff and train in a world-class facility equipped with the latest RP3 Rowing machines, designed to optimize your performance and maximize your training efficiency. Whether you're a (national) team looking for the ideal training camp or an individual athlete wishing to learn more about RP3, T.S.R. Vidar will be your gateway to the ultimate rowing experience.

GET READY TO RACE: RP3 ROWING WARM-UP SETUPS AT (INTERNATIONAL) REGATTAS!

Excitement is building as the international regatta season approaches, and we at RP3 Rowing are gearing up to support athletes with everything they need to excel on the water.

Prepare like a champion with the newest RP3 Rowing machines, renowned for their precision engineering and performance. Stay informed about the latest developments with our products and take advantage of exclusive offers available only at our warm-up setups. Whether you're interested in purchasing your own RP3 Rowing machine at better rates or simply want to learn more about how to get the most out of our innovative technology, our team will be there to provide all the information you need! Keep an eye out for us at upcoming (international) regattas, and be sure to stop by our warm-up area to see how RP3 Rowing can elevate your racing experience!

ROWER OF THE MONTH: JAKE MCCARTHY LIGHTWEIGHT ROWING TO NEW HEIGHTS!

Celebrating our community, we present the Rower/Coach of the Month competitions! Nominate yourself or others by sharing success stories, training milestones, or coaching innovations via email or Instagram DM. Winners will be featured in newsletters and on social media!

April's Rower of the Month is Jake McCarthy!

Jake wasted no time in tackling the previous record set for the lightweight men's 2000m and set the mark at a blistering time of 5:56.8!

Keep it up, Jake! May this be the first of many personal bests this Olympic season!
